BLESSING

Expressing the Christ qualities adds enrichment to all we give and receive. "Why me?" we may ask when we are going through a time of discomfort or anxiety. The answer is wisdom that rises from the depths of the soul: "To either give or receive a blessing."

Sometimes it is in our greatest challenges that we discover our greatest strengths. Those strengths are from the Christ Presence of our beings. Anytime we give expression to the Divine in us, we cannot help but to be blessed or to give a blessing to another.

Whether we ourselves, a friend, or a loved one is in need of healing, peace of mind, more prosperity, or understanding, we know that we have an opportunity to give and receive blessings. Expressing the Christ qualities within us adds enrichment to all we give and to all we receive.

As written by the Romans 15:29 *"And I know that when I come to you, I will come in the fullness of the blessing of Christ"*

Unless otherwise stated in Church, we will have a Good Friday Service at 3 P.M. on April 14. Holy Saturday we will have Matins with the Liturgy and Blessing of Easter Food after the Liturgy. We will eat Easter Food in the Church after the Blessing of the Food. There can be changes made, so please listen carefully to the Priest.
