The Sanctuary Lamp is offered this week for Health and Blessings
of Helene Rimar requested by Alice and Emil Harvest.

A GREAT BIG WELCOME BACK TO FR. ELES. He had a great time and now he is happy to be back and kind of relax a little in this beautiful Florida Weather. He missed out on all his exercise activities while up North and this is why he is back to his routine - exercising all day long.

Advisor Bill Magella spoke last week on the subject of the Church Property up for sale. No information is available from the Chancery, but we know the property has been surveyed and some one wants to buy. When definite word is received as to what is going on, Fr. Eles and Fr. Glen along with advisors Bill Magella and James Oleksa will notify us.

We are glad to see our attendance at church holding up thru the summer months, as well as the nice attendance at our coffee hour. Remember, you can donate cake and coffee anytime your heart desires. Just bring the items to the Center.
