LET'S SAVE AMERICA WITH PRAYER!!!!

PRAY FOR VOCATIONS. WE HAVE A GREAT SHORTAGE OF PRIESTS, NUNS,  
RELIGIOUS.

HOLY APOSTLES, PRAY FOR US  
MARY, MOTHER OF LIGHT, PRAY FOR US

PLEASE ALSO PRAY FOR THE SICK AND INFIRMED OF OUR COMMUNITY

Valerie Poole underwent Heart Surgery---Valve Replacement---at Jackson Memorial Hospital in Miami and is recuperating very nicely. She will be home soon and it would be very nice if you sent her a Get Well card to read at home. She will have a lot of free time. Give her plenty to read.

John Toth wants to thank everyone who sent him a card, gift, and good healthy wishes for his 90<sup>th</sup> Birthday. Also, Thanks Helene Rimar for setting up the nice party held in his honor at the church.

Walter Hlywa had a Pace Maker installed and is feeling much better. Hopefully, Walter and Luba will attend Liturgy today. Say a prayer for a complete recovery to good health for Walter.

Why is it that people who don't come to church, know everything that's wrong with it? God Himself does not propose to judge a man until he is dead. So why should you? Peace starts with a smile.

We don't change the Message; the Message changes us.

Opportunity may knock once, but temptation bangs on your front door forever.
