Phyllis Baxter, a longtime friend of Holy Apostles and now the Byzantine Community has just returned from the Gulf States area after serving in Hospitals — permanent and temporary — in Biloxi, Gulfport, Slidell and New Orleans doing any job that she was asked to do. I happened to see the TV clip showing Phyllis as she was leaving the airport. She did not know in what capacity she would be used, but she knew very well that she was well prepared for any chore given to her. What a beautiful Christian Act from her!!! Phyllis — God Bless and keep you for many years. We hope you will never be confronted with this kind of catastrophe again. Now help your needy Mental Health patients and do your law practice on the side as long as you can.

Anyone in the church celebrating any multiple of 5 years of marriage is asked to write the wife's and husband's names + last name --- the number of years you are married—on a piece of paper and give to Helene Rimar by October 30. Certificates will be filled out and distributed at this year's St. Nicholas Day Luncheon to be held on Dec 4th... (every one can reserve this day and attend the function).

Father Eles is having a private Liturgy for 5 of his ailing Priest Brothers this week. If all of us would take a few moments and ask the Good Lord to bless these Priests, do you know what kind of response that would be? Please say a prayer anywhere, anyhow, but just pray for them.
