Mr and Mrs Dave Koromaus happily announce that their son Logan Joseph Koromaus was baptized On August 12th, 2006 at Saint Peter and Paul Byzantine Catholic Church in Punxsutawney, Pa. It is the same church where Logan's sister, Sydney (who comes to church every Saturday evening with her father) was baptized. Also baptized in the same church were their father Dave, and Uncle Marc. The family wants to thank everyone for the kind words and prayers offered up for them.

LIVE LONGER BY WORRYING LESS

Worry is a double-edged sword. Not only is worry incapable of adding anything to your life, but it can also take things away from your life:
HEALTH—TIME—PRODUCTIVITY—FAITH. The only way to add to your life is to stop worrying and **START TRUSTING.**

Like Matthew writes: "*Can all your worries add a single moment to your life? Of course not.*"

We are living in a world today where lemonade is made from artificial flavors and furniture polish is made from real lemons.

And if you've ever been a Subway rider in any city, you know that a nickel will get you on the subway, but garlic will get you a seat.
